DEDICATION

WALTER J. DEMPSEY

The Class of 1988 dedicates this edition of the TIOT to Walter J. Dempsey. Mr. Dempsey has been a supporter of the Norwood schools, and the yearbook in particular, for many years. He graduated with the class of 1934 from Norwood; he served as chairman of the Building Committee that doubled the size of the school in 1962. He has served as Selectman in Norwood for 35 and one-half years before retirement this year. We, the members of the Class of 1988, wish to thank Mr. Dempsey for his many years of support and commitment to education in the Town of Norwood.

The Competition was held in November. Students took multiple choice tests on all the areas they had studied. Their scores were added together for a team score. The Super Quiz was held in the gym that afternoon. The students were under a time limit to give their responses. Gold, Silver and Bronze medals were awarded to individuals and teams who ranked highest both overall and in each subject area. Olga Garcia-Ray received the Bronze medal for Literature.

The team is open to juniors and seniors who range academically from A to C work. This provides the opportunity for all types of students to compete in a challenging but fun environment.

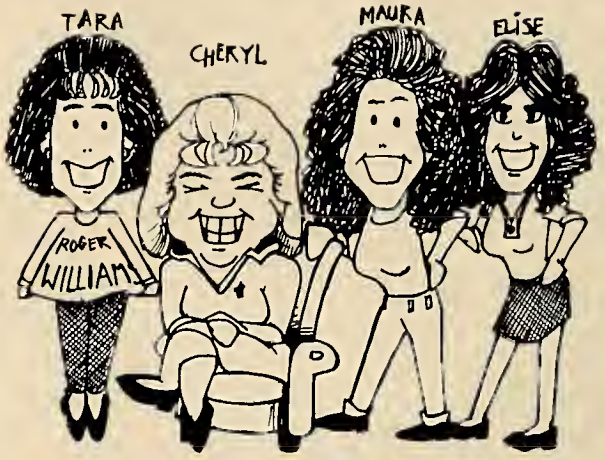
SENIOR THOUGHTS . . .

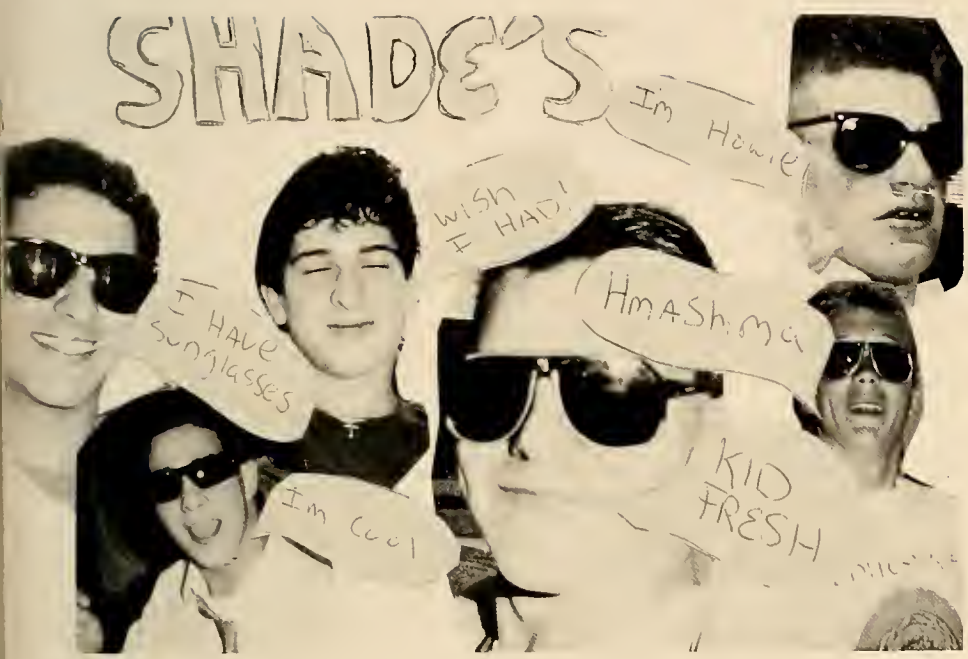


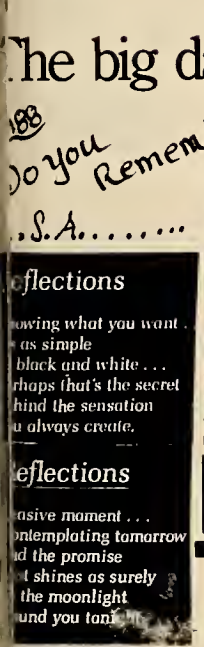
A Friend is . . .
One who knows who you are, understands where you've been, accepts who you've become, and invites you to grow!

FRIENDS

A friend is someone you can always trust with thoughts from deep inside, and though not always in your sight they're always by your side.
A friend is someone who will wipe your tears and keep you standing strong, and let you know that they are there when other things go wrong.
A friend is someone to share your life through good time[illegible] through bad, to keep you going every day through happy [illegible] and sad.
A friend is someone who makes you feel good by little things they do, and though it's not in written words you know they care for you.
A friend is someone to whom you feel close to because you know them inside, so thoughts you feel the need to express you'll never have to hide.

Mary M. Foley —





Modern Convenience

I couldn't picture myself living in another era mainly because of today's technological advances. For example, my grandfather thought nothing of walking ten miles in the snow to attend school, but I stopped walking to my mailbox after passing my driving test. While our ancestors found enjoyment in telling stories on their front porches, today's generation is entertained by MTV. No longer do women spend all day in the kitchen preparing food for their families—an eighties woman purchases a preprepared meal, which is cooked in the microwave in minutes by her husband. For all these reasons, I believe that the eighties are more advanced than any other time. I choose to live in the present!

Religion: T.V. Evangelist Jim Bakker resigned from his ministry amid reports that he had committed adultery with Jessica Hahn, church secretary. (PTL!!)

THE STOCK MARKET: A series of financial scandals erupted on wall street.

Politics: 2 Democratic Presidential candidates abandoned the campaign amid reports of questionable moral behavior. (Gary Hart's affair with Miami model) (Senator Biden's reports of plagerizm)

Government: President Reagan's Administration was rocked by charges of misconduct aimed at several of it's top officials. IRAN-CONTRA AFFAIR (secret White House plan to free U.S. citizens held hostage in Lebanon) Reagan argues that the plan was vital to U.S. interests, but the plan was begun when Congress cut off military aid to the Contras.

MUSTANGS HOLD THEIR OW

This year the football team is on its way back up the standings with a 4-5-1 record. The record didn't really show the capability of the team, losing by only points to such powerhouses as Natick, Dedham, and Needham, and out-of-league contestant Lexington.

At the banquet Coach Giardi presented the awards. Jamie Weber and Brian Quinn were presented the top defensive player and top offensive line award, respectively. Paul Topping received the Coaches' Award and Dan Needham the Dale P. Eckholm Award.

The team would like to thank all the coaches, cheerleaders, the band, and all the spectators who cheered us on. Good Luck to next year's team.

This year's cheerleading squad has gone further than any other at Norwood High. At camp this year they walked away with first place in both the Dance and Sideline Cheer competitions. Although they lost on a technicality at the Baystate league Competition, they went on to win first place in the South Regionals, first place in the States and first place in the New England Competition: The cheerleaders would like to thank Donna and Christene for making this a memorable season and also to wish Donna luck with her new baby.

BASKETBALL CHEERLEADERS

We started out the season rough, but through many hours of practice we pulled together as a team, in hope to capture the Baystate Title. Cheerleading camp gave us a chance to get to know each other as people, not just as fellow cheerleaders. Because of the fact that we came together as a squad we were able to go to the finals at camp, and also qualify to attend a National Competition in Tennessee. Starting off the season with a new coach was difficult for everyone, but thanks to Lynne Costello's time, support and dedication we made it a great season. On behalf of all the seniors we would like to wish the rest of the team good luck next year, and our thanks to Lynne Costello, Donna Brown and all of Norwood High School for their support.

When I am called to duty, God . . . Wherever flames may rage . . . Give me the strength to save some life . . . Whatever be its age . . . Help me embrace a little child . . . How your life changes determines how we can help:

As your life changes, so do your financial needs. Young families, for example, have a great need for borrowing. Income is usually reduced as a parent leaves the labor force. Yet expenses are increased due to an extra mouth to feed. We can help with a variety of low-cost loans.

On the other hand, retired couples have little need for loans. They are concerned about safe, profitable investments. Investments that increase their retirement income. We can help with fully-insured term accounts that guarantee interest payments.

Whatever your age, whatever your needs, we'll help you your whole life through. From buying your first car to providing a tax-sheltered retirement fund, you can expect a helping hand from us. To find out more, call or visit our office soon.

We, the members of the Class of 88, being of sound mind and body do hereby acknowledge this document to be our Last Will and Testament.

ARTICLE I: To Mr. Piccirilli: The class of 88 leaves two stress-free years and a happy retirement. Also Tom Maha, Ed Recos, and Debbie Santoesquasso leave you with the correct pronounciation of their names.

ARTICLE II: To Mr. Gallahue: We would like to thank you for all your hard work and leave you with some checkers so you can play on that wonderful plaid jacket.

ARTICLE III: To Mr. Usevich: We would also like to say thanks and leave you with a joke book with the sincere hope that you will use it.

ARTICLE IV: Ryan Lovell leaves his pancreas to Mr. Nev. and the Biology department.

ARTICLE V: Anthony Servello leaves his "airband chest" to anyBODY that needs it.

ARTICLE VI: To Jacqui Shea, we leave what's left of Bill's car.
